Testimonials:

Mark and Amber

We just wanted to extend our sincere appreciation for your support in making our wedding day so special. From the first meeting you put us at ease and thereafter continually went above and beyond to make sure we had everything we needed! The food on the day was exceptional (many commented it was the best they had ever had at a wedding) and your management and attention to detail made all of the difference. We're recommending you to anyone who'll listen and would have no hesitation in using Crown again in the future.

Sarah & Jon

I wanted to drop you an e-mail to say a MASSIVE thank you for everything you and your team did for our wedding last Friday, we have the most amazing day. The food and service was outstanding and we have had so many comments from our guests praising both you and your team...one of our friends runs their own pub and he was particularly impressed with the service that he received and he absolutely loved the chocolate cheesecake! The barn looked fantastic, I was so impressed with the way your team decorated it so that it was everything I had dreamed it was going to be! You took all the worry and stress off of us both on our wedding day and in the run up to our day which ensured that we had such a special day – Jon and I cannot thank you enough!

Lucie & Scott

I just wanted to drop you a quick email before we set off on our mini honeymoon to say a massive thank you for everything you did for us on our amazing wedding day.

I cannot thank you enough for the wonderful service you and your team provided on the day. Everyone commented on how fantastic the food was, on how accommodating and friendly the staff were and just how impressed they were with everything. The sausages and mash went down a storm and everyone can't stop talking about the delicious desserts and canapés!!

You all really did go above and beyond the call of duty both before the wedding and during the reception and I can't thank you enough for making the wedding run smoothly without any hitches. You're amazing and I will be making sure that as many people know about Crown Catering as possible. So many people asked who you were so I'm sorry but you may be even busier next year!! Thanks again, you really do make a huge difference to peoples weddings and it's nice that you bumped into Tamsin and Ollie in the evening (you did their wedding last year) who also can't speak highly enough of you.

We really do want your dreams to become a reality on what is an incredibly special day and we look forward to speaking to you soon.
