## *People have said some very nice things about William's Kitchen at Calcot:*

*"I just wanted to pass on my very special thanks to everyone at William's Kitchen at Calcot who provided the meal and service for my wedding at the Kingscote Barn. Every single one of my guests commented about the meal ... exactly how Martin and I wanted it. The fact that the whole day went without a single hitch is a testament to the brilliant organisational skills ... we both had a wonderful day that we will never forget.*

*Thank you once again for making it such a perfect day."*

*"I am very sorry to have taken so long to tell you how amazingly well you and your team performed at this year's ball and to thank you very much indeed.*

*The whole operation went like clockwork and was wholly stress free. The bar worked brilliantly and as for the food ... well, we are used to being told how wonderful it is and how amazing that you can do it all for so many people in a tent in a field to such a very high standard but ... people were really blown away. One envious chap told our masters you wouldn't eat better in a top London restaurant ... You did a FANTASTIC job."*

*"I just had to drop you a line to say a MASSIVE thank you to you and your amazing team.*

*I cannot express just how grateful we are to you all of you for making our day go so fantastically well on Sunday. You all went above and beyond what I ever expected and I just haven't got the words to thank you enough.*

*Food aside (which was amazing....we have had more comments about the food than anything else!) you were all superb. Every single member of staff was so professional, polite and friendly, nothing was too much trouble, and you really did take all the pressure off us and my parents.*

*Louise, in particular deserves a medal for her professionalism, organisation and most of all her consideration. I don't know what we would have done without her! The day was absolutely perfect, exactly as I had imagined it. It ran like clockwork and it was all down to your team.*

*I shall be singing the praises of William's Kitchen to everyone I meet...! I wouldn't hesitate to recommend you to anyone and, if any of your prospective clients need further reassurance, I would be only to happy for you to give them my number as a reference.*

*THANK YOU, THANK YOU, THANK YOU!!!!!!"*

*"Thankyou so much for making our 75th Dinner & Dance so special, & one to truly remember. It was a Fantastic evening, the food was Superb! and the Service second to none. All I have had is great feedback all day. Your Team were amazing & so efficient. I cannot Thankyou enough for all of your help in the lead up to last night & on the night."*
